

Disney college program

Greetings from Disney!

Are you interested in applying to the [Disney College Program](#)? Or, are you graduating this Fall and looking for your next step?

Apply to the Disney College Program! By participating on this program, you are essentially getting your foot in the door with Disney to potentially become a Disney Professional Intern with all of the segments under The Walt Disney Company (ESPN, ABC, Disney Interactive, The Walt Disney Studios, Disney Consumer Products or Corporate)!

Many Disney cast, crew and Imagineers have launched their careers by starting out on the Disney College Program. To learn more about the program, visit disneycollegeprogram.com.

If you are looking to get more time while on your Program be sure to select the **Spring Advantage Program** that will be offered January 2015 - August 2015.

If you have already applied, *no further action is required on your end* – please encourage your friends to apply!

[Take the first step and apply today!](#)

Sincerely,
Disney College Recruiting

**** Receipt of this message does not imply application eligibility.
Those selected to interview will be asked no later than April 18.***
