

Oshkosh Independent Advertising Sales Contractor

Position description: This is an exciting opportunity to sell online and print advertising for the *Oshkosh Independent*, the only locally owned and operated news outlet in Oshkosh.

Based on three years of online publishing, the *Oshkosh Independent* has developed a first-class reputation among civic leaders, nonprofit managers, and business owners in the community. Your job will be building on that positive image and attracting revenue, focusing especially on a new magazine that will publish its first issue in November.

Some leads will be provided; you will be expected to generate additional ones on your own.

You can expect to work seven to 10 hours per week, with a slightly heavier schedule in the weeks before actual publication.

Compensation: You will earn a combination of commission, bonuses, and fixed pay for specific tasks. You have an estimated income potential of \$1,000 to \$2,000 per eight-week publication cycle.

Flexibility: You work as much and when you want (some hours may be dictated by availability of advertisers). Much of your work can be done from home.

Other advantages:

- Supporting a great, local business in Oshkosh.
- Helping great causes, businesses, and events connect to our community.
- Giving back, as we promote and sponsor local arts programming.
